

CODE KŠT 2010	DESCRIPTION
0	LAND
01	AGRICULTURAL LAND
010	Arable land
011	Orchards
012	Permanent meadows
013	Permanent pastures
014	Agricultural built-up land
015	Land under ponds
016	Land under ditches
02	FOREST LAND
020	Forests
021	Wooded and shrub land
03	BUILT-UP AND URBANISED LAND
030	Residential land
031	Industrial land
032	Other built-up land
033	Urbanised and non-built-up land
034	Recreational - holiday land
035	Fossil utilities
036	Communication land
04	ECOLOGICAL LAND
040	Ecological land
05	MISCELLANEOUS LAND
050	Miscellaneous land
06	WASTELAND
060	Wasteland
07	LAND UNDER WATER
070	Land under water, excluding lands under the waters caused by the usage of water reclamation equipment
071	Lands under the waters caused by the usage of water reclamation equipment
1	BUILDINGS AND PREMISES; A COOPERATIVE RIGHT TO COMMERCIAL PREMISES AND COOPERATIVE MEMBER'S OWNERSHIP RIGHT TO RESIDENTIAL PREMISES
10	NON-RESIDENTIAL BUILDINGS
101	Industrial buildings
102	Communication and transport buildings
103	Retail and service buildings
104	Tanks, silos and warehouses
105	Office buildings
106	Hospital or other institutional healthcare buildings
107	Educational, scientific, cultural and sports buildings
108	Production, service and business buildings for agriculture
109	Other non-residential buildings
11	RESIDENTIAL BUILDINGS
110	Residential buildings
12	PREMISES; A COOPERATIVE RIGHT TO COMMERCIAL PREMISES AND COOPERATIVE MEMBER'S OWNERSHIP RIGHT TO RESIDENTIAL PREMISES
121	Non - residential premises, a cooperative right to commercial premises
122	Residential premises, a cooperative member's ownership right to residential premises
2	CIVIL ENGINEERING CONSTRUCTIONS
20	COMPLEX CONSTRUCTIONS ON INDUSTRIAL SITES
200	Constructions for mining and quarrying
201	Power plant constructions
202	Chemical plant constructions
203	Constructions in areas of heavy industrial plants, not elsewhere classified
21	PIPELINES, COMMUNICATION AND ELECTRICITY LINES

CODE KŠT 2010	DESCRIPTION
210	Long-distance pipelines, communication and electricity lines
211	Local pipelines, communication and electricity lines
22	TRANSPORT INFRASTRUCTURES
220	Motorways, expressways, streets and other ways
221	Railways, including suspension and elevated railways
222	Airfield runways
223	Bridges, elevated highways, tunnels, underpasses and overpasses
224	Water structures, excluding water meliorations
225	Basic drainage
226	Specific drainage
29	OTHER CIVIL ENGINEERING CONSTRUCTIONS
290	Sport and recreation constructions
291	Other civil engineering constructions not elsewhere classified
3	BOILERS AND ENERGY MACHINES
31	BOILERS AND STEAM BOILERS
310	Boilers
313	Steam boilers
32	TURBINES AND OTHER PROPULSION MACHINERY
320	Steam boilers
321	Water turbines
322	Reciprocating steam engines
323	Internal combustion engines for light fuel
324	Internal combustion engines for heavy fuel
325	Internal combustion engines for gas fuel
326	Wind engines
327	Water wheels
328	Motors driven by compressed air
33	ELECTRICAL ROTATING MACHINES
330	DC motors
331	DC generators
332	Electric asynchronous cage motors, 50 Hz
333	Electric asynchronous ring motors, 50 Hz
334	Electric synchronous motors, 50 Hz
335	Synchronous generators, 50 Hz
336	AC motors operating at other frequencies
337	AC commutator motors
338	Synchronous compensators
339	Electrical power drive systems combined and linear motors
34	TURBINE GENERATOR AND ELECTRIC GENERATING SETS AND NUCLEAR REACTORS
340	Steam turbine generator sets
341	Water turbine generator sets
342	Generating sets with steam piston engines
343	Generating sets with combustion engines for light fuel
344	Generating sets with combustion engines for heavy fuel
345	Generating sets with combustion engines for gas fuel
346	Wind power generator sets
347	DC-to-DC converters
348	Other turbine generator and electric generating sets
349	Nuclear reactors
4	MACHINERY, EQUIPMENT AND APPARATUS OF GENERAL USE
41	MACHINE TOOLS FOR WORKING METAL
410	Lathes
411	Drilling, boring and boring - milling machines
412	Milling machines
413	Cutters and centring machines

CODE KŠT 2010	DESCRIPTION
414	Planing, shaping, broaching and pushing machines
415	Grinders
416	Machine tools for winding and gears
417	Other machine tools for working metal, including combined machines, machining team unit, automatic machining lines and specialized machine tools
42	MACHINE TOOLS FOR PLASTIC FORMING OF METAL AND PLASTICS
420	Hammers and forging machines
421	Presses for working metal and plastics
422	Bending and straightening machines
423	Riveters
424	Shears for cutting metal and plastics
425	Drawing machines
426	Machines for turning, weaving and making springs and ropes
427	Other machine tools for plastic forming of metal and plastics ,
43	MACHINERY, EQUIPMENT AND APPARATUS FOR GENERAL USE IN AGRI-FOOD PROCESSING
430	Machinery, equipment and apparatus for crushing, grinding and mixing raw materials and raw material masses
431	Filtering machinery, equipment and apparatus
432	Machinery and apparatus for pasteurisation
433	Machinery and apparatus for dispensing and filling bottles, jars, cans, tubes, etc.
434	Closing, corking, labelling machinery and equipment, etc.
435	Machinery and equipment for packaging in boxes and bags and packaging manufacturing machinery
436	Equipment for washing and cleaning of packaging
437	Other machinery, equipment and apparatus for general use in the food and agricultural industries
44	MACHINERY AND EQUIPMENT FOR LIFTING AND COMPRESSION OF LIQUIDS AND GASES
440	Plunger and piston pumps
441	Centrifugal pumps
442	Rotary pumps
443	Gear pumps
444	Compressors
445	Blowers and squeegees
446	Fans
449	Other machinery and equipment for pumping and compression of gases and liquids
45	INDUSTRIAL OVENS
450	Ovens for the processing of raw materials
451	Furnaces for fuel processing
452	Stoves
453	Melting furnaces
454	Kilns
455	Steel making converters and mixers
456	Induction furnaces supplied with high frequency current for heat treatment
46	HEAT EXCHANGE UNITS
460	Membrane banded heat exchangers
461	Membrane, shell and tube heat exchangers
462	Membrane, chamber-radiator heat exchangers
463	Membrane, shell and coil heat exchangers
464	Membrane, banded and coil heat exchangers
465	Membrane, pipe heat exchangers
466	Membrane channel heat exchangers
469	Other heat exchange units
47	MACHINERY, EQUIPMENT AND APPARATUS FOR MATERIAL PROCESSES
470	Pressureless fluid mixers incorporating mixing or advancing devices

CODE KŠT 2010	DESCRIPTION
471	Fluid mixers at pressures up o 16 atm. incorporating mixing mechanisms
472	Fluid mixers at pressures above 16 atm. incorporating mixing mechanisms and devices
473	Scrubbers
474	Columns
475	Drum cameras
476	Roller scraper cameras
477	Chamber dryers
479	Other machinery, equipment and apparatus for material processes
48	OTHER MACHINERY, EQUIPMENT AND APPARATUS FOR GENERAL USE
480	Electrolysers
481	Apparatus and equipment for surface treatment of metal by chemical and electro-galvanic means
482	Apparatus and equipment for surface treatment of metal by thermal method
483	Equipment for electrical discharge machining of metal
484	Machinery and equipment for welding, spraying, machines and equipment for cutting using gas
485	Refrigerating apparatus and machines, unmovable
486	Refrigerating apparatus and machines, portable
49	OTHER SPECIAL AND SPECIALIZED MACHINERY, EQUIPMENT AND APPARATUS OF GENERAL PURPOSE
490	Machinery and equipment for the preparation of machine data carriers and analytic machines
491	Computer units
492	Stand-alone apparatus for automatic regulation and control of processes
493	Robots
5	SPECIALISED MACHINERY, EQUIPMENT AND APPARATUS
50	MACHINERY, EQUIPMENT AND APPARATUS FOR THE CHEMICAL INDUSTRY
500	Machinery, equipment and apparatus for the nitrogen industry and chemical synthesis
501	Machinery, equipment and machinery for the pharmaceutical and allied industries
502	Machinery, equipment and apparatus for the synthetic fibers industry
503	Machinery, equipment and machinery for the plastics industry
504	Machinery, equipment and apparatus for the rubber industry
505	Machinery, equipment and apparatus for the inorganic sulphuric and phosphate fertilizers industry
506	Machinery, equipment and apparatus for the industrial gases industry
507	Machinery, equipment and apparatus for the refining industry
51	DRILLING, MINING, GAS, CASTING, PEAT AND GEODETIC AND CARTOGRAPHIC MACHINERY, EQUIPMENT AND APPARATUS
510	Drilling machinery and equipment
511	Mining machines
512	Machinery and equipment for the operation of boreholes
513	Machinery and equipment for the mechanical processing of ores and coal
514	Metallurgical machinery and equipment
515	Coke and gas machinery and equipment
516	Foundry machines and equipment
517	Peat machinery and equipment
518	Equipment and procedures for measuring and geophysical surveying, photogrammetry, mapping, etc.
52	MACHINES FOR THE MINERAL INDUSTRY
520	Machinery and equipment for the stone industry
521	Machinery and equipment for the mineral industry
522	Machinery and equipment for the lime and gypsum industry
523	Machinery and equipment for the cement industry
524	Machinery, equipment and apparatus for the insulation and cork industry

CODE KŠT 2010	DESCRIPTION
525	Machinery and equipment for the production of building ceramics and refractory silicate materials
526	Machinery for the fine and technical ceramics industry
527	Machinery and equipment for the production of glass and glassware
528	Machinery and equipment for the abrasives industry
529	Machinery, equipment and units for the production of other building materials
53	MACHINES FOR THE MANUFACTURE OF METAL AND PLASTIC PRODUCTS
531	Special machines for the production of small metal accessories
532	Machines for the manufacture of metal products
533	Machinery and equipment for the production of cables and electrical items
534	Machinery and equipment for the production of accumulators and batteries
535	Machinery and equipment for the production of light bulbs and vacuum tubes
536	Machinery and equipment for the production of film and magnetic films, plates and photographic papers
537	Machinery and equipment for the production of films and film copies and the films
538	Machinery for winding the coils and insulation of motors, transformers and capacitors
54	MACHINERY, EQUIPMENT AND APPARATUS FOR THE TREATMENT AND PROCESSING OF WOOD, PRODUCTION OF WOOD AND MACHINERY, EQUIPMENT AND APPARATUS FOR THE PAPER AND PRINTING INDUSTRIES
540	Machinery, equipment and apparatus for felling trees and working wood
541	Machinery, equipment and apparatus for the manufacture of veneer, blockboard and plywood
542	Machinery, equipment and apparatus for the manufacture of fibreboard and chipboard
543	Machinery, equipment and apparatus for the manufacture of matches
544	Machinery, equipment and apparatus for the manufacture of barrels, crates and various wood products
545	Machinery, equipment and apparatus for the manufacture of cellulose
546	Machinery and equipment for the manufacture of paper and cardboard
547	Machinery, equipment and apparatus for paper and cardboard products
548	Printing machinery, equipment and apparatus
549	Machinery and equipment for the production of wood or substitute materials in combination with other materials
55	MACHINERY AND EQUIPMENT FOR THE MANUFACTURE OF TEXTILES AND APPAREL, LEATHER AND PRODUCTS THEREOF
550	Machinery for the pre-treatment of textile bast fibers
551	Spinning machines
552	Machinery for the manufacture of threads, cords and ropes
553	Weaving machines
554	Knitting and hosiery machines
555	Dyeing and finishing machines
556	Machines for the manufacture of felt and felt products
557	Sewing and clothing machines and machines for the manufacture of buttons
558	Machines for the manufacture of leather and leather products
559	Other machinery and equipment for the textile, apparel and leather industries
56	MACHINERY, EQUIPMENT AND APPARATUS FOR THE AGRICULTURAL INDUSTRY
560	Machinery, equipment and apparatus for the sugar industry
561	Machinery, equipment and apparatus for the brewing industry and for the production of beverages
562	Machinery, equipment and apparatus for the production of yeast
563	Machinery, equipment and apparatus for the production of spirits
564	Machinery, equipment and apparatus for the production of vinegar
565	Machinery, equipment and apparatus for the potato industry
566	Machinery, equipment and apparatus for the fruit and vegetable industry
567	Machinery, equipment and apparatus for the milling industry
568	Machinery, equipment and apparatus for the baking industry

CODE KŠT 2010	DESCRIPTION
57	MACHINERY, EQUIPMENT AND APPARATUS FOR THE FOOD INDUSTRY
570	Machinery, equipment and apparatus for the confectionery industry
571	Machinery, equipment and apparatus for the food concentrates industry
572	Machinery, equipment and apparatus for the tobacco and herbal industries
573	Machinery, equipment and apparatus for the meat industry
574	Machinery, equipment and apparatus for the fishing industry
575	Machinery, apparatus and equipment for the oil industry
576	Machinery, equipment and apparatus for the dairy industry
577	Machinery, equipment and apparatus for the egg-poultry industry
578	Machinery, equipment and apparatus for the catering industry
579	Other machinery, equipment and apparatus for the food industry
58	MACHINERY FOR EARTHMOVING CONSTRUCTION AND ROAD WORKS
580	Machinery for earthmoving and foundation works
581	Machinery for construction works
582	Machinery for road works
583	Excavators and stackers used in quarrying
584	Machinery for railway track works
59	MACHINERY, EQUIPMENT AND TOOLS FOR AGRICULTURE AND FORESTRY
590	Machinery and tools for soil cultivation
591	Machinery and equipment for sowing, planting, fertilisation and irrigation
592	Plant -care machinery and tools
593	Machinery and equipment for crop protection
594	Machinery and equipment for harvesting crops
595	Machinery and equipment for threshing and drying crops and auxiliary equipment
596	Machinery and equipment for cleaning, sorting and dressing crops
597	Machinery and equipment for feed processing
598	Machinery and appliances for breeding and rearing animals
599	Other machinery, equipment and tools for agriculture and forestry
6	TECHNICAL EQUIPMENT
60	GROUND TANKS
600	Ground tanks, brick
601	Ground tanks, concrete
602	Ground tanks, wooden
603	Ground tanks of natural and artificial materials
604	Ground tanks, steel
605	Ground tanks of non-ferrous metals
61	ELECTRICAL APPARATUS AND EQUIPMENT
610	AC switchgears
611	AC and DC setting devices
612	AC apparatus
613	Transformer stations fixed and mobile
614	DC devices and switchgears
615	DC apparatus
62	EQUIPMENT FOR RADIO AND TELEVISION BROADCASTING, TELEPHONY AND TELEGRAPHY
620	Radio and television transmission apparatus
621	Radio and television reception apparatus
622	Electroacoustic and electro visual apparatus
623	Wired relay apparatus
624	Alarm and signalling apparatus
626	Apparatus for line telephony
627	Equipment for telegraphy
629	Other tele-and radio engineering equipment
63	POWER PROCESSING AND POWER DEVICES
630	Transformers
631	Rectifiers

CODE KŠT 2010	DESCRIPTION
632	Static capacitors
633	Batteries of stationary electric accumulators
634	Batteries of electric alkaline accumulators
64	CRANES AND CONVEYORS
640	Passenger and goods lifts
641	Jacks, winches and hoists passable and impassable, turnstiles, etc.
642	Cranes (handling cranes)
643	Conveyors for general use
644	Conveyors for mines
645	Air and water conveyors
646	Overhead travelling cranes and charging machines
647	Traversers, turntables and tippers
648	Tracks, freight cable car systems and cableways
65	INDUSTRIAL EQUIPMENT
650	Gears
652	Ventilation equipment
653	Air conditioners
654	Water treatment facilities
655	Equipment for gas purification
656	Equipment for ash and slag removal
657	Hydraulic accumulators
658	Equipment for sewage treatment
659	Other industrial equipment n.e.c.
66	NON-INDUSTRIAL EQUIPMENT
660	Scales, automotive, railroad cars and other embedded equipment
661	Equipment of laundries and dry cleaners
662	Projection equipment and apparatus
663	Fire equipment
664	Machinery and apparatus for carrying out technical tests
668	Technical theatre equipment
669	Other non-industrial devices
68	OTHER TECHNICAL EQUIPMENT
681	Containers
682	Swap bodies
7	MEANS OF TRANSPORT
70	GROUND RAILWAY ROLLING - STOCK
700	Railway rolling - stock ground
71	UNDERGROUND RAILWAY ROLLING - STOCK
710	Railway rolling - stock underground
72	TRAMS
720	Trams
73	OTHER GROUND RAILWAY ROLLING - STOCK
730	Other rolling - stock ground
74	MOTOR VEHICLES
740	Motorcycles, trailers and motorcycle trucks
741	Automobiles
742	Lorries
743	Special cars
744	Motor vehicles designed for transportation of nine or more persons, including driver
745	Trolley buses and electric cars
746	Tractors
747	Semi -trailers
748	Trailers
75	HORSE- DRAWN VEHICLES
750	Horse -drawn vehicles

CODE KŠT 2010	DESCRIPTION
76	OTHER TRACKLESS ROLLING- STOCK
760	Industrial trucks mounted with a fixed bridge powered by a battery-operated electric motor
761	Reach lift trucks with low raised platform powered by a battery-operated electric motor
762	Reach lift trucks, mechanical, high lift (fork lift) powered by a battery-operated electric motor
763	Reach lift trucks, mechanical, high lift (fork- lift) combustion-powered
764	Forklift trucks transport with a fixed platform and a crane, powered by a battery-operated electric motor
768	Other forklift trucks
77	FLOATING FLEET
770	Maritime transport fleet
771	Sea fishing fleet
772	Maritime technical and rescue fleet
773	Inland waterway transport fleet
774	Technical and inland rescue fleet
778	Other floating fleet
78	AIR FLEET
780	Aircraft
781	Helicopters
782	Gliders
783	Balloons
788	Other means of air transport
79	OTHER MEANS OF TRANSPORT
790	Other means of transport
8	TOOLS, INSTRUMENTS, MOVABLES AND EQUIPMENT, NOT ELSEWHERE CLASSIFIED
80	TOOLS, INSTRUMENTS, MOVABLES AND EQUIPMENT, NOT ELSEWHERE CLASSIFIED
800	Tools, instruments, gauges, etc.
801	Laboratory apparatus and equipment
802	Medical apparatus and equipment
803	Technical equipment for office work
804	Circus facilities and equipment
805	Equipment of cinemas, theatres and other cultural and educational institutions
806	Kiosks, booths, huts, holiday cottages, etc.
808	Other tools, appliances, movables and equipment, n.e.c.
9	LIVESTOCK
90	LIVESTOCK
900	Livestock
