In the third quarter of 2021, the highest increase of prices was observed in travel agency, tour operator reservation service and related activities (by 7.5%), mostly driven by price increases in the activities of tour operators. This was followed by price increases in rental and leasing activities (by 2.1%) and publishing activities, as well as in legal and accounting activities; management consultancy activities (1.4% each). The prices of information service activities and architectural and engineering activities; technical testing and analysis increased the least (0.1% each). The activity, in which prices decreased, were programming and broadcasting activities (by 3.5%). This was mainly related to the decrease in the prices of television advertising time and space.

Compared to the third quarter of 2020, the highest price increase was in security and investigation activities (by 7.9%). Subsequently, the biggest price increases compared to the corresponding period of the previous year were recorded in the case of services related to rental and leasing activities and employment activities (5.4% each) and services to buildings and landscape activities (by 4.5%). The smallest price increase (0.7% each) was in services related to motion picture, video and television programme production, sound recording and music publishing activities and in information service activities. On the other hand, a decrease in prices as compared to the third quarter of the previous year was recorded in the case of programming and broadcasting activities (by 5.5%).

In third quarter of 2021, the highest increase of prices was observed in travel agency, tour operator reservation service and related activities
