* Data revised.

According to preliminary data, **the prices of sold production of industry** in November 2015 reached the level similar to the one recorded in the previous month. The growth of prices was recorded in sections: manufacturing as well as in electricity, gas, steam and air conditioning supply (by 0.1% each). Among the divisions of manufacturing the biggest growth was recorded in manufacture of coke and refined petroleum products (by 1.4%). The prices were also higher among other things in manufacture of pharmaceutical products (by 0.7%), of motor vehicles, trailers and semi-trailers, of other transport equipment (by 0.5% each), of wearing apparel (by 0.4%), of electrical equipment, of chemicals and chemical products, of beverages (by 0.3% each), of products of wood, cork, straw and wicker, of other non-metallic mineral products as well as of textiles (by 0.1% each). The price in manufacture of computer, electronic and optical products reached the level similar to the one recorded in the previous month. The drop of prices was recorded among other things in manufacture of metal products, of machinery and equipment, of paper and paper products, of leather and related products (of 0.1% each), of furniture (of 0.2%), of food products (of 0.3%), of printing and reproduction of recorded media (of 0.4%), of rubber and plastic products (of 0.6%) as well as of basic metals (of 1.5%). The prices in section water supply; sewerage, waste management and remediation activities reached the level similar to the one recorded in the previous month. The drop was recorded in mining and quarrying of 1.5%, of which in mining of metal ores - of 3.8% as well as in mining of coal and lignite - of 0.5%.

In comparison to December of the previous year the prices of sold production of industry were lower of 0.6%. The prices in mining and quarrying were lower of 6.0%. In manufacturing prices were lower of 0.4%, of which - in manufacture of coke and refined petroleum products (of 8.3%). The drop prices was also recorded among other things in manufacture of wearing apparel (of 1.6%), of basic metals (of 1.5%), of chemicals and chemical products (of 1.2%), of other non-metallic mineral products (of 1.1%), of metal products (of 0.9%), of beverages (of 0.8%), of rubber and plastic products (of 0.4%), of products of wood, cork, straw and wicker, of printing and reproduction of recorded media (of 0.3% each) as well as of furniture (of 0.1%). The growth of prices was recorded among other things in manufacture of food products, of leather and related products (by 0.1% each), of electrical equipment (by 0.4%), of machinery and equipment, of textiles (by 0.8% each), of computer, electronic and optical products (by 0.9%), of pharmaceutical products (by 1.4%), of motor vehicles, trailers and semi-trailers (by 1.8%), of other transport equipment (by 2.8%) as well as of paper and paper products (by 3.7%). The prices in section electricity, gas, steam and air conditioning supply reached the level similar to the one recorded in the previous month. In section water supply; sewerage, waste management and remediation activities prices were higher by 0.6%.

In November 2015 the prices of sold production of industry were of 1.8% lower than a year earlier. The drop of prices was recorded in sections: mining and quarrying (of 6.9%), manufacturing (of 1.8%) and electricity, gas, steam and air conditioning supply (of 0.2%). The prices increased in section water supply; sewerage, waste management and remediation activities (by 0,6%).

It is estimated that the **prices of construction and assembly production** in November 2015 were lower of 0.1% than in the previous month. The drop of prices was recorded in construction of buildings (of 0.2%) as well as in civil engineering (of 0.1%). However the prices in specialised construction activities reached the level similar to the one recorded in the previous month.

In November 2015 the prices of construction and assembly production were of 0.8% lower than in December of previous year as well as of 0.7% lower than in November of the previous year.
