Supplementary general secondary school for adults

Description of the concept that applied to: 31.08.2014

Definition:

It's upper secondary school with separate organization of education. It has been operating since the 2004/05 school year and designed for candidates who are eighteen years old, or will have been eighteen in the calendar year, in which they are about to begin education. This school based on the curriculum of the basic vocational school.

The education lasts for 2 years. Graduates of supplementary general secondary schools for adults after finishing the last grade of the programme receive secondary education, which allows them to apply to post-secondary schools. After passing the Matura (matriculation) examination, they obtain the right to apply to higher education institutions.
