

Terms used in official statistics

Employed persons in the national economy

Persons performing work generating earnings (in the form of wages or salaries) or income.

In the frame of persons employed are included:

- 1) employees, in other words wage and salaried workers i.e. persons employed on the basis of an employment relationship (employment contract, appointment, nomination, election) or a service relationship;
- 2) self-employed persons together with contributing family workers;
- 3) outworkers;
- 4) members of agricultural production cooperatives;
- 5) clergy fulfilling priestly obligations.
