

## Terms used in official statistics

### Semi-finished products and work in progress

#### Definition:

Unfinished production, i.e. production in progress (including works and services) and own semi-finished products. Production in progress includes also construction (on previously purchased land) of residential buildings for resale, i.e. costs of land purchase, preparing documents, etc.

The term "Semi-finished products and work in progress" is used only in F-01 form since 2002, previously the term "stocks of production in progress" was used.
