

## Terms used in official statistics

### Unemployed persons by LFS

#### Definition:

Persons aged 15-74 who simultaneously fulfill three conditions:

- in the reference week were not employed;
- were actively looking for work, i.e. had carried out activities in the four-week period ending with the reference week to seek paid employment;
- were available to take up work within two weeks from the end of during two weeks after the reference week.

Persons who were not seeking work because they had already found a job and were waiting to start it within a period of no longer than 3 months and were ready to take it up, are also included in the category of the unemployed.
