

Terms used in official statistics

Employed persons by LFS

Definition:

Persons aged 15-89, who during the reference week:

- performed for at least one hour any work generating pay or income, i.e. were employed in a public company/institution or by a private employer, worked on their own (or leased) agricultural farm, or conducted their own economic activity outside agriculture, assisted (without pay) in work on family agricultural farm or in conducting family economic activity outside agriculture,
- had work but did not perform it:
 - a) due to sickness, vacation, parenthood related leave (maternity leave, childcare leave, paternity leave or parental leave),
 - b) due to a seasonal nature of work, if they continue to regularly perform tasks and duties for the job or business off-season (excluding fulfilment of legal or administrative obligations),
 - c) for other reasons if the break in employment did not exceed 3 months.

Employed persons - in accordance with the international standards - also include apprentices who entered into occupational training or occupational preparation contract with a private or public employer if they received remuneration.

The following persons are not included among the employed: voluntary workers or trainees not receiving any pay, persons employed in private agriculture (on farms owned by natural persons) who produce agricultural products exclusively or mainly for their own use.
